The Beekman Soccer Club is proud to announce travel tryouts for the 2017/2018 season. Our Club has experienced significant growth over the past 2 years and now offers 20+ travel teams spanning all age groups. Our teams participate at various competitive levels within East Hudson or at the premier level within NYCSL. Many of our teams take advantage of the Quickstrike alliance by utilizing QS trainers at our weekly travel team practices. Quickstrike also conducts Functional Training sessions at Beekman, 3 teams each season. If you are interested in taking your soccer experience to the next level, playing on a Beekman travel team is the way to go.

Bombers

Thank you for considering the opportunity to be a part of the Girls U14 Beekman Bombers. We look forward to earning your trust, enhancing your daughter's soccer journey, demonstrating our infectious passion for soccer and unwavering dedication towards our players.

Coaching Philosophy

The Bombers coaching staff includes Josh Herman (Head Coach) and Pat Alvarez (Professional Trainer).. We believe in a holistic approach to coaching youth soccer. We're equally concerned with the play off the ball, as well as off the pitch. Respect is very important: respect for your team, your opponent, the referees, the practice, the game, and yourself most of all. We expect to win with grace and to lose with grace. We are not teaching goals measured by the score as much as our concern for lifelong learning lessons. Our team is known to be: fun, positive, technical, simplistic, equitable, and consistent. We emphasize a ball-control, high-pressing, and free-flowing style of play. Finally, we will consistently look for opportunities to increase our overall soccer IQ.

Soccer Practice

In-season practices are on Wednesdays and Fridays for both spring & fall sessions

Non-season practices are on Wednesdays for both summer & winter sessions

League & Tournaments

We expect to compete on Sundays in the 2017/2018 EHYSL Girls U14 – Division 2

The Bombers plan on participating in 2-3 outdoor and 2-3 indoor tournaments per year

Wolverines

The team will practice 2 days a week during the Fall and Spring seasons, which includes 1 day a week with a trainer and then in the Winter it will transition to 1 practice/training night a week indoors. In addition to registration costs there will be additional fees associated with being part of a travel team such as trainer and tournament fees, fundraising, spirit wear, supplies, etc. We are looking to be a competitive team, but our season will be about more than wins and losses, it will be about focusing on individual player development as well as bringing the individual players together to play as one team. We are hosting open tryouts on May 5th & if needed or by invitation May 12th from 5:30 to 6:30 PM at Beekman Elementary School. Interested persons need to register for tryouts by sending an email to Coach Artie at Skier65992@aol.com. Please include the player's name, address, club name and date of birth.
